

Scholastic Summer Reading Packs

Dear Parent/Guardian:

We received *Scholastic Summer Reading Packets* for every student in the building. Each packet consists of six novels and an activity sheet for each novel. This is a great way to kick off the *Hephzibah Rebels Twenty-Five Book Campaign* for next year.

Students will receive credit for reading the novels by completing and submitting the activity sheets to their language arts teachers within the first ten days of school. Individual student recognition will be posted for all students who participate.

The students who read all six books will be invited to join a *Book Talk Celebration* complete with light refreshments during 7th period on Friday, September 4, 2009.

***Books may be picked up Monday–Thursday from 8:00am–2:00pm
every day this summer.***

Please remind your student to read **one** required selection from the *Required Summer Reading List*. Information about all reading opportunities is located on the school website at <http://heph-high.rcboe.org/home.aspx?>

Enjoy your summer.

Start reading now!

READ!

READ!

READ!

Sincerely,

Latasha Arnold
